DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Applicant's response dated September 10, 2004 has been considered. Applicant has canceled claims 2 and 9, claims 1, 3-8 have been amended, and new claims 10-16 have been submitted.

As indicated by applicant in page 8, starting paragraph 2 through page 9 of first and second paragraph, applicant argues that the prior does not teach or discloses the claimed invention as amended. Examiner has reviewed and considered applicant's Arguments. Based on an updated search in view of the amended subject matter including the newly submitted claims 10-16, the prior art does not teach or disclose the invention as claimed.

Therefore, claims 1, 3-8 and 10-16 have been allowed for the reasons discussed above.

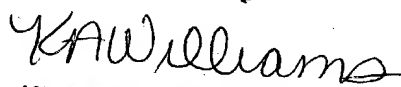

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 305-5441. The examiner can normally be reached on 7am-4pm.
